DECLARATION

MARY E. D'ANDREA, CLERK
Per [Signature]
DEPUTY CLERK

I hereby declare under penalty of perjury that the following is true and correct:

1. I was sent to Graterford prison on August 17, 2000, for a court date which was over on August 22, 2000 and I should have been sent back to Coal prison that week or the next but I was not.

2. I asked my counselor why and he told me it would be a while because "they" did not want me sent back right away. I asked him to see about my being sent back right away because of my legal cases and he said he would check into it but I never saw him again even though I am supposed to see my counselor at least once a week.

3. After I filed a TRO motion I believe the defendants' lawyer, Lewis, called to find out why I was not Graterford because I was told I would be sent back within two weeks. Lewis lied in her pleadings because she knew I was being told to keep me away from my legal material.

4. I was sent back to Coal on November 2, 2000, and learned that all my legal material at Graterford disappeared as well as the legal material I had at Coal before I left. I wrote Lewis a letter requesting that she check about my legal work but she ignored it.

5. I still do not know what is going on, nor have I gotten the rest of my legal material still at Mahanoy prison.

6. I have filed grievances but nothing is being done nor will it be done. All my research is gone as well as other legal papers.
